Just wanted to say thank you again for all your hard work with the catering. ”

Rachel, Cobalt Health

CaterCater provide contract catering companies with successful solutions for each of their business needs

We provide for every contract catering service - including staff restaurant management, a range of hospitality options as well as vending solutions and more.

### Consultancy

We have successfully taken over operations from other contract caterers, have project managed new build facilities and have scaled down cost saving facilities, all well within the given budget.

Our professional team of Business and Industry caterers provide services for many companies all over the UK

Our Directors valuable hands on experience allows us to provide our customers with responsive solutions, which has become extremely important in our fast moving industries.

### Get in touch...

If we have provided some food for thought, talk to us on **01452 527888** or email **info@catercater.co.uk**, where we will be more than happy to provide you with everything you require.
