How nice of you to follow up with us. **The hog was enjoyed and admired by all**, and the guys were fantastic. They even helped us out with setting up goal posts before the football tournament began! ***Thanks very much, it's been great doing business with you*** and we will certainly know who to **RECOMMEND** when asked by others.

Just a quick note to say thank you and your staff for a very successful wedding reception. Everyone said how much they enjoyed the food and the staff were *professional and friendly* and very laid back which was just what I needed as I was doing a very good impression of a headless chicken at some points during the day.

Thanks again

Just wanted to say a **massive thank you** to everyone who was involved in the Catering on Saturday, the food and service we received was absolutely **outstanding** and we could not be happier. We had loads of positive comments on the wedding breakfast including quite a few of **‘that was the best wedding food I have ever eaten!’** In particular people commented on how tasty and piping hot the soup was, how moist the chicken was, the presentation of everything and how efficient the service was. Equally everyone raved about the hog roast, saying it was the **best pork they had ever eaten.** We honestly can't thank you enough for this and everything else you did to make our day run so smoothly (such as the setting up of the tables, the sweetie table and re-stocking of the cakes) it was so nice to know we were in such safe hands! Thanks again,

**Mr & Mrs Hughes**

“

From us both, just wanted to thank you for all your help for our wedding. **EVERBODY COMMENTED HOW NICE THE FOOD WAS**, we couldnt have asked for any better. **Big thanks** also to your team of staff on the day who helped you - they were great. Once again, thanks for helping make our day run smoothly, and one we wont forget. **You provided us with a 5\* service.**

Kind regards, we hope to see you again in the future.

***Mr & Mrs Baker!***

I wanted to make it really clear that **I thought your service was FANTASTIC.**

Not only were you excellent in helping us prepare for the day i.e. hiring last minute chocolate fountains and chair covers for us, and keeping me up to date on everything prior to the event, but the **service on the day was incredible**, it really was. People complimented the food, and the **day was handled brilliantly**. We were all really, really impressed, and I know you personally put a lot of effort into the day, of which Seb and I are seriously grateful for. ***It really does help to have am efficient caterer who knows what they're doing*** - it makes the difference.

I don't know which companies provided the extra services, but both the chocolate fountain and the chair cover company were excellent. All in all, I'm almost surprised that everything ran so smoothly (judging by some of the misevents I've seen at other peoples' weddings!), it was brilliant.

I'd be happy to tell future customers how brilliant you are!

Many, many thanks

***Justine & Sebastian Marlow***

“

Thankyou so much for providing a **first class service** for the standard of food/catering provided and the bar staff for keeping our guests well watered. **We had some great feedback from our guests** and hope they put any future business your way.

Kind regards

***Colin & Sarah Palmer***

“

We just wanted to say to you that our wedding on 31st May 2008 was **amazing** and we thank you so much for your organisation which made our day go without a hitch. Everyone raved about the venue and the food. We know we said thank you on the day but we wanted to say that if you ever require a reference for another customer we would be very happy to provide one for you.

I just wanted to write and say a **big thank you** to your team for making my party so enjoyable on Saturday. **All the guests mentioned how brilliant your staff were.** The pig roast was gorgeous and so very succulent. It was so relaxing for me as I didn't have to do anything! **I will have no hesitation in recommending your company to anyone.**

Thank you once again,

**Melissa**

“

Fraser and I wanted to **thank you very much for your service for our party.** Craig was a delight to have around so please pass our gratitude to him personally, **the hog roast and salad went down a storm** and I think you may have a bit of referral business from it too. **All in all an excellent experience** thanks again.

We have had some great feedback from those who attended the Ball with really **positive comments about the quality and quantity of the food** you provided. We will certainly have no hesitation in using you for future events, and will recommend you to others. Also I think everyone was amazed at how good the school hall looked, such a transformation and that was **down to the effort you put in.** Once again thank you for all the extra effort you put into our event.
