Keep it local

We use local produce sourced from the Three Counties wherever possible, making sure everything is ethically farmed using the Red Tractor for guidance.

Healthy nutritional options

We offer a healthy range of lunches and snacks to those visiting our leisure centre-based cafés.

Children's parties

Our Children's menus are designed with kid's in mind. We work with our contractors to create the perfect party package.

Corporate hospitality

Our production kitchen is open 7 days a week, supplying all of our centres with buffets on demand. Not only do we cater for sporting activities and societies, we also provide corporate lunches for those using the facilities for business.
