Providing excellent food service and support that has been proven, without increased costs...Adding real value to your school.

But don't just take our word for it...

This is what people say about us.

The food was delicious and there was barely a crumb left! I would also like to take this opportunity to thank you for your service so far. On behalf of all at the school, thank you, and I look forward to working with you both now and into the future to supply the children of Hempsted with a healthy choice of food.

Richard Waller
Head Teacher, Hempsted Church of England Primary School

The food was very good indeed, and it was all very nicely cooked and presented. Most importantly the food was hot and tasty! Overall the hot school meals were excellent, and were clearly very-much enjoyed by the children.

Alistair Howard
Governor

Delicious! I can taste the flavour... Just one happy response to the hot dinners today. Many thanks to Cater Cater.
